

The Galleon

The Santa Maria Camera Club Newsletter August 2024

President's Message

Hope you all are enjoying the summer!

We have a Pizza Party on Wednesday, August 7 at 7 p.m. at Merrill Gardens. Please invite any friends who might be interested in the club. And if you have any ideas for increasing our membership, please bring them up!

If you are into whale watching, now is an enjoyable time to go. We saw more than 10 feeding near Pismo on our boat tour from Port San Luis on July 8. The whales were expected to be around in August also. I recommend Captain Mark and Avila Beach Whale Watching for a boat ride with only six passengers. Bring a long lens. We could not get close to them.

Hope to see you on August 7!

Jeanne
