The Santa Maria Camera Club Newsletter June 2023

## President's Message

Happy June!

Have you all been enjoying meeting in person again each month? I am enjoying seeing all your smiling faces and rubbing elbows with you. Of course, I also enjoy staying home and participating online once a month where I can still see your smiling faces ... but no elbows.

Remember our competition theme this month is "In the Street of the City."

See you all soon!

Best,

**Jeanne Sparks**
