The Santa Maria Camera Club Newsletter October 2024

President's Message

Hope you all will be able to make our meeting on October 2 when we have the special presentation: "Three Photographers: Three Visions." Chuck Uebele, Jim McKinnis, and I will be presenting our photography. Thanks to Heidi Gruetzemacher for setting this up. She even got news coverage for us, including Santa Maria Sun, who will be there for the presentation!

Invite a friend and be sure to RSVP so we can make this an extra special night. And come at 6:30 PM for a reception before the presentation.

Jeanne
