President's Message

I am looking forward to the September digital theme competition...Still life. This is so interesting because we can contemplate and create and practice at our leisure to create a great image for this theme. We don't often get this opportunity and there is still time so I hope you will work on some amazing images for my favorite photographer and our judge Christopher Broughton.

I just can't say enough thank you to Penni for planning our photography outings! The morning at the Dana Adobe far exceeded my expectations. There were many more photo opportunities than I expected, and I enjoyed seeing some of you there. Last...we actually met in person at Merrill Gardens after 28 months! I wish I had been on the ball about having refreshments and such (I will make sure we have some treats and reason to hang out at the November 2 print comp at Merrill Gardens). Thank you all for coming and keeping our club going!!!! Does anyone know of a local judge I can recruit for November?
Keep on creating,

Cheryl
